

Medical Reception

Certificate III in Business Administration (Medical) BSB31115

As the first point of contact for patients at the doctor's office, hospital or clinic, medical receptionists and administrators play a significant role in the running of a practice.

Why study this course?

The program has been developed to provide students with the knowledge and practical skills required to work as a medical administrator in a general or medical specialist practice or hospital. It will also assist students to develop comprehension of current practices in the medical sector and gain experience operating the widely used PracSoft medical computer software.

Who should study this course?

This course is suitable for those already working in the field of medical administration, and looking to further develop their skills. It is also relevant to students who would like to establish a career in medical administration.

Career outcomes

With this certification, some occupations may include:

- Administration Assistant
- Clerical Worker
- Data Entry Operator
- Information Desk Clerk
- Office Junior
- Receptionist

Further study opportunities

Candidates who successfully complete this course may be eligible to articulate to a Certificate IV in Business Administration BSB40507. Applications would be assessed on an individual basis by the education provider.

Entry requirements

Students should have basic computer skills, including word processing, emailing and internet searching. Students will also be required to complete a language, literacy and numeracy assessment during the enrolment and orientation session to determine any learning support needs they may require.

Course structure

The Certificate is offered full time and consists of 13 units. The duration of the course is approximately 10 weeks. The delivery of the course can vary dependent on location, so please visit the 'Timetable and Course Dates' section of our website for details.

Campus locations

Melbourne CBD Campus
123 Lonsdale Street Melbourne VIC

Blackburn Campus
184 Whitehorse Road Blackburn VIC

Recognition of Prior Learning (RPL) or Credit Transfer (CT)

RPL or CT may be granted to students who have completed units of competency that directly match the health training package units. This will be reviewed on an individual basis, and a 50% tuition fee will apply for any RPL granted. All applications must be submitted using the appropriate forms and include all necessary documentation. Application forms can be found on our website under Studying At HSA > Forms.

Cost

Course fees can vary by state and are based on a number of different factors. A government subsidy may be available to students for tuition fees, depending upon eligibility, state and course chosen. To view a complete list of course fees and funding options, please read the Fees & Funding section on our website, or call us on 1300 306 886 to discuss the most appropriate option for you.

Assessments

Assessments vary and can include presentations, class discussions, assignments, practical demonstrations, short tests, essays, workbooks and case studies. Each unit is assessed in the classroom/practical lab to determine a student's competency.
